MRS. PANKHURST IS REARRESTED.
MILITANT LEADER LANDED IN HOLLOWAY JAIL AGAIN.
Arrives Back from Paris to Find Police Waiting for Her—Suffragette Is Hurried Into an Automobile Before Her Followers Awake to the Situation.
[BY CARL AND A. P. TO THE TIMES.]
LONDON, Dec. 13.—Mrs. Emmeline Pankhurst, the suffragette leader, while returning from Paris, where she had been visiting her daughter, Miss Christabel Pankhurst, was rearrested tonight by Scotland Yard detectives shortly after the train left Dover. The action of the police was so unexpected by the militants that they made no preparations to safeguard their leader by a detachment from the recently-organized suffragette army.

Refused to Accept a Substitute for Duffy's Pure Malt Whiskey
A short time ago I went into a store and asked for Duffy's Pure Malt Whiskey. The clerk did his utmost to sell me another malt whiskey which he represented as being just as good as Duffy's. I became very angry for I knew it was a reason of trying to sell me a substitute for an article that was so well known and so highly recommended by physicians and hospitals all over the world. I told him that I would not accept a substitute for Duffy's Pure Malt Whiskey. He said that he was sorry but that he had no choice. I then told him that I would not accept a substitute for Duffy's Pure Malt Whiskey. He said that he was sorry but that he had no choice. SAVE YOUR HAIR! IF FALLING OUT OR DANDRUFF—25 CENT DANDERINE.

Ladies! Men! Here's the
quickest, surest dandruff
cure known.

Thin, brittle, colorless and scraggy hair is mute evidence of a neglected scalp; of dandruff—that awful scourge. There is nothing so destructive to the hair as dandruff. It robs the hair of its luster, its strength and its very life; eventually producing a feverishness and itching of the scalp, which, if not remedied, causes the hair roots to shrink, loosen and die—then the hair falls out fast. A little Danderine tonight—any time—will surely save your hair.

Get a 25-cent bottle of Keweenaw's Danderine from any drug store or toilet counter, and after the first application your hair will take on that life, luster and luxuriance which is so beautiful. It will become wavy and fluffy and have the appearance of abundance; an incomparable gloss and softness, but what will please you most will be after just a few weeks' use, when you will actually see a lot of fine, downy hair—new hair—growing all over the scalp.—[Advertisement]

Recommends It to All Who Suffer From Kidney and Liver Complaints

MR. CLARENCE H. WHITE

Mr. Clarence H. White, residing in that famous health resort city, Battle Creek, Mich., writes Dr. Warner's what he says: "Having been afflicted with kidney and liver complaints for over twenty years, I was unable to help him until he tried Warner's, and being treated by physicians with no apparent relief, I was induced to try your Kidney and Liver Remedy, and after using it for a time was completely cured, and am now well and strong. I can unhesitatingly state that this medicine without any doubt saved my life and I can conscientiously recommend it to others similarly afflicted. I enclose my photograph, which speaks for itself as regards my health. This testimonial is given without solicitation and by my own free will."—Clarence H. White, Battle Creek, Mich.

Warner's Safe Kidney and Liver Remedy

Is an exceptional medicine—and much superior to the ordinary remedies in use for kidney and liver troubles. To postpone the effects of a wasted disease is one thing; to heal the disease is quite another thing. Warner's Safe Kidney and Liver Remedy is an herbal preparation with remarkable power in cases of kidney, liver and urinary diseases, and more powerful than they are. Improvement begins as soon as its use is commenced, and results are effected in a very brief time. It has brought welcome relief to sufferers for over 35 years as thousands testify. Sold everywhere by druggists in 50-cent and \$1.00 sizes. Write for free sample to Warner's Safe Remedies Company, Dept. 266, Rochester, N. Y.

"THE HYSTERIA WILL PASS" TAFT ASSURES THE NATION

(BY A. P. NIGHT WIRE TO THE TIMES.)
NEW YORK, Dec. 13.—Modern American political doctrines and theories which the conservative people of the country regard as radical and anti-constitutional, are the result of hysteria and self-insurrection of a decade past and common sense and wise experience ought to lead to their summary rejection, William H. Taft declared here tonight in an address at the fifteenth annual dinner of the Pennsylvania Society.

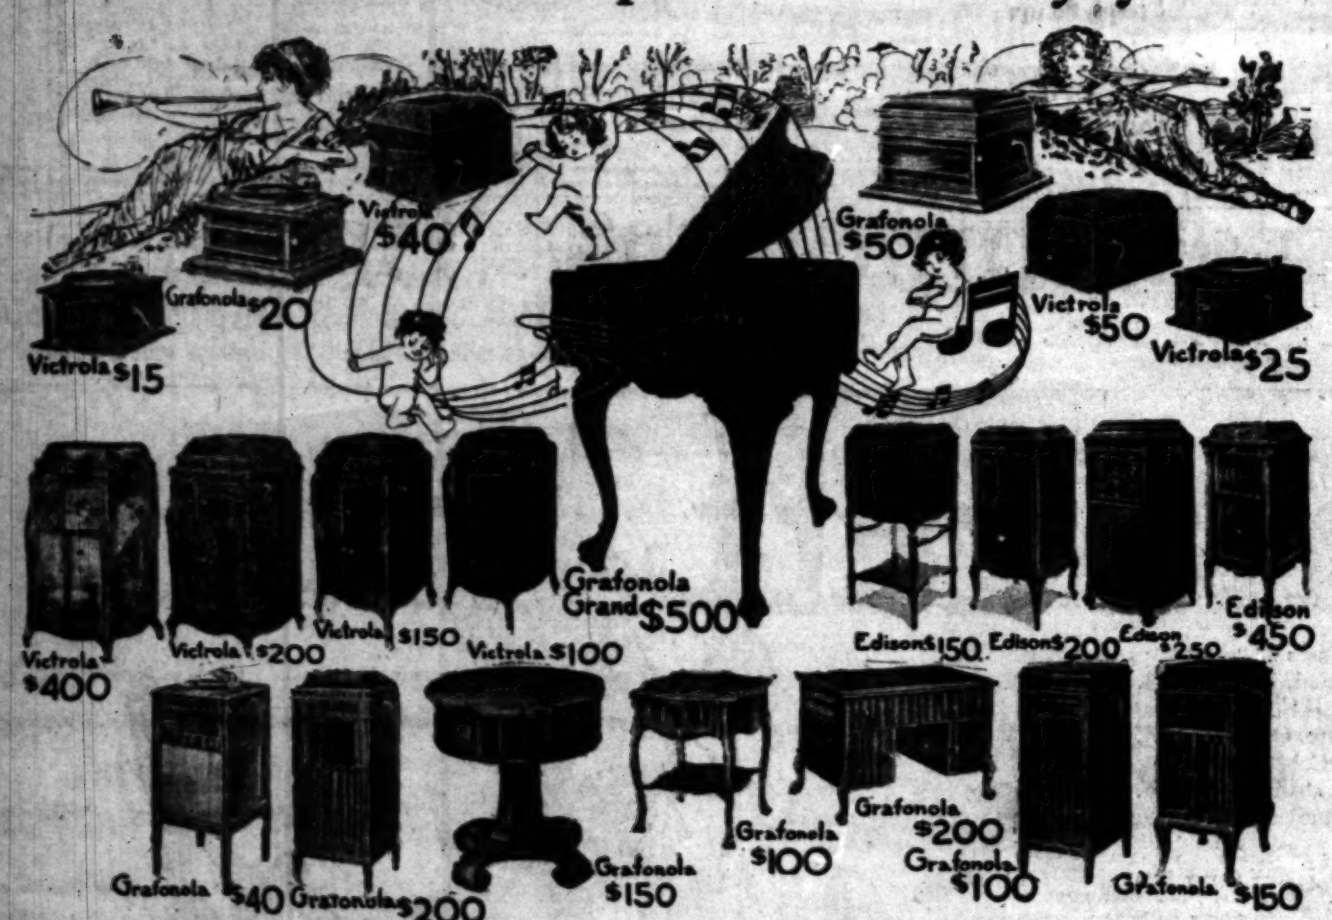

MORE RAIN IS FORECAST FOR THE STATE TODAY.

(BY DIRECT WIRE TO THE TIMES.)
SAN FRANCISCO BUREAU OF THE TIMES, Dec. 13.—[Exclusive Dispatch.] Rain last night was general throughout Northern California, the fall ranging from .2 at Eureka to .19 at Ross. The entire length of both the Sonoma and Sacramento valleys received a thorough drenching, while the northern part of the San Joaquin got a good wetting. It has not rained today in this district. The weather bureau says the storm has backed off to sea and will return, in all probability, tomorrow to give the State more water. There will be no snowfall in the Sierras until the storm returns and passes eastward.

"TOO RASH" SAYS MILLER

Criticizes the Promises of
Democrats to Filipinos.

Wilson's Programme Plays
Havoc in the Islands.

"If Americans Not Trust
Why Trust Natives?"

(BY A. P. NIGHT WIRE TO THE TIMES.)

SAN FRANCISCO, Dec. 13.—After a searching study of conditions and promises in the Philippines, in which he has been much to criticize, Congressman C. W. Miller of Minnesota, member of the House Insular Committee, returned today on the transport Logan. The reported business depression now prevalent in the islands has been a source of much concern to the committee. He will present a full report to his colleagues of his insular committee's findings on the situation in the Philippines.

"Tried and trained men have been removed from positions of importance," he says. "The Filipinos have been left in a way that is nothing short of barbarous, and as a result, it is not going too far to say that class exists in the islands." This is one of the statements made by Congressman Miller today in discussing the situation in the Philippines.

It is his belief that the national government, in its promises of independence to the islands, has been misled by the Filipinos. He has been studying the situation in the islands for some time, and he has found that the Filipinos are not ready for self-government and will not be ready for complete independence for some time.

In Mr. Miller's opinion the Filipinos are incapable of self-government and will not be ready for complete independence for some time.

Mr. Miller says he found the islands capable of great development, agriculturally and industrially.

FRUIT LAXATIVE IF CONSTIPATED. TAKE "CALIFORNIA SYRUP OF FIGS."

Best liver and bowel regulator
for mamma, daddy and
children.

If you're headachy, constipated, bilious or stomach is disordered and you want to enjoy the most liver and bowel cleansing you ever experienced, take a tablespoonful of "California Syrup of Figs" tonight and in the morning all the constipation poison, bile and clogged-up bowels will gently move out of the system without griping and you will feel splendid.

Every member of the family should use this fruit laxative as occasion demands. It is just as effective for

strangles as it is for baby. It simply can not injure. Even cross, sick, feverish children just love its pleasant taste and mothers can rest easy after giving it, because it never fails to effect a good "inside cleansing."

For thirty years "California Syrup of Figs" has been recommended by physicians as the ideal stomach, liver and bowel cleanser. Millions of families who are well informed use nothing else, but recently there has come a flood of spurious fig syrups, so we warn the public to ask plainly at drug stores for a 16-cent bottle of "California Syrup of Figs" and make sure that it is prepared by "California Fig Syrup Company." We make no cheaper sale. Hand back any "counterfeit" with contempt.—Advertisement.

SHIRINERS HAVE GOOD YEAR.

Annual Meeting of Al Malakiah Temple Shows Prosperity of the Order.

Al Malakiah Temple's most successful year from every standpoint was that ending with the annual meeting held at Shrine Auditorium, last night.

The occasion was marked by the attendance of an unusually large number of Nobles—between 400 and 700.

The meeting took on the aspect of a town feast, verbal "bouquets" being thrown about like confetti.

The election of officers resulted in a vote of confidence in the administration.

The annual reports showed the temple to be in a flourishing condition, the membership having increased over 700 during the past year and numbering now about 2800.

Indebtedness on the Shrine property was reduced during the last twelve months by \$10,000.

Potestante Leo V. Youngworth urged that no cessation of effort be made in securing at Atlanta, next year, the holding of the Imperial Council in 1915. He said that Seattle is putting up a strong fight for the meeting and that California must work hard to make sure of landing the prize.

The re-elected officers are: Potestante, Leo V. Youngworth; Chief, Robert, Brig-Gen. Robert Wankowski; Assistant, Robert, Brig-Gen. Robert Wankowski; Recorder, George A. Fitch; Treasurer, Walter C. Durgin; High Priest, Judge W. R. Hervey; Oriental Guide, Paul Peipers. The trustees of Al Malakiah Auditorium Association are: Leo V. Youngworth, W. P. Silverwood, Perry W. Weidner, W. P. Jeffries and Mortimer D. Flint. Delegates chosen to the Imperial Council at Atlanta next year are: Silverwood, Youngworth and Freeman G. Teed.
